

The Sophisticated Cat

Is this not the coolest cat creation for felines who love to scratch, hide and peak out of safe places? It's called The Cat Cocoon and it's from The Sophisticated Cat.

This sculptured piece of cat furniture provides a 3-in-1 alternative to having a traditional scratching post, cat tree and condo in your home and it's available from

www.thesophisticatedcat.com.

Check it, and the many other cool products for sale on the company's Web site. You can also call 1-773-871-9349 for more information. 🐾
